TOPIC: 2016 Spring Fishery

ACTION REQUESTED: Close the hook & line fishery below Bonneville Dam.

**FORMAL ACTION TAKEN:** FWLO CA#162-2016 opened hook and line fishing in the area below Bonneville Dam. Spring chinook counts over Bonneville Dam have been lower than expected and it is too early to update the run size. To prioritize fish for ceremonial needs and to reduce risks of exceeding catch guidelines, the F&W Committee closes hook and line fishing in the area below Bonneville Dam at 6 PM on Thursday, April 28, 2016. This closure includes the required 48-hour notice. All other subsistence regulations in T-101-16 will remain unchanged. Regulations are pursuant to Title 32.14 of the Revised Law & Order Code of the Yakama Nation. Authority to enforce these regulations is provided under Section 32.18.05 of the Code. Violations of any of these regulations are punishable under Section 32.18.05 of the Code.
