(XXX) FISH () WILDLIFE () LAW & ORDER

DATE: February 28, 2014

TOPIC: 2014 Winter Gillnet Season

ACTION REQUESTED: Modify dates for The Dalles Pool in the Winter Gillnet Season

FORMAL ACTION TAKEN: Good numbers of fish remain on the sturgeon catch guidelines for both The Dalles and Bonneville Pools. To avoid issues that harming sturgeon populations in each pool make it unfeasible to have both pools open with inconsistent legal-size slot limits. Therefore, the Fish, Wildlife, and Law and Order Committee hereby **close** the Winter Gillnet Season in the **The Dalles Pool**, effective **6 p.m. Monday, March 3, 2014**. Any fish caught legally before the closure may be sold at anytime. The Platform/h&l fishery in The Dalles Pool will remain open for subsistence as per existing rules. Sturgeon caught during C&S fisheries between 43-inches and 54-inches in Fork Length in The Dalles Pool may be kept for subsistence purposes. Additionally, the Winter Gillnet Season in The Dalles Pool will be **open** from **6 a.m. Thursday, March 13 until 6 p.m. Saturday, March 22, 2014**, but may close sooner if sturgeon harvest guidelines are achieved. These regulations are pursuant to Title 32.14 of the Revised Law & Order Code of the Yakama Nation. Authority to enforce these regulations is provided under Section 32.18.07 of the Code. Violations of any of these regulations are punishable under Section 32.18.07 of the Code.
