## Request for Bids: On-Call Geo-Tech Services Contract

Dear Contractor:

The Yakama Nation's Upper Columbia Habitat Restoration Project (UCHRP) will be accepting bids for an On-Call Geo-Tech Services Contract. The anticipated contract start date will be late September 2016 and will last until May 31<sup>st</sup> of 2018. Enclosed in the bid packet you will find a detailed Scope of Work (SOW) "**Exhibit A**", and a detailed line item Budget "**Exhibit B**."

The contract will involve mobilizing the necessary equipment to the three watersheds: Methow, Entiat, and Wenatchee to perform the tasks as outlined in the SOW. These tasks will be performed during the approved in-water work window as set forth by the Washington State Department of Fish and Wildlife (WDFW) for each respective watershed of any given year. Not all tasks outlined in the "**Exhibit A**" will be performed on any given project site or in

any given year. In the event that new issues arise with habitat projects, certain tasks may be added, deleted and/or modified to address the issue/s at hand. All task modifications and substitutions will be discussed with the Yakama Nation designated representative and/or engineer by the Contractor prior to any changes. **(Davis Bacon Wages DO Apply to this contract. The winning contractor will adhere to the Davis Bacon rules and comply as well as submit all necessary paperwork to the Yakama Nation). Sub-contracting is NOT allowed under this contract.**

All tasks need to be performed in a safely executed manner over the course of the contract in order for the contract to be renewed by the YN. **Bids will be accepted until the close of business (COB) Wednesday August 24<sup>th</sup>, 2016. All bid materials need to be in line item format. Additionally, all completed bid packets need to be submitted in hard copy format to the address listed below in the "Instructions for Electronic Bids."** Prices quoted in the bid packet need to be good for at least six months from bid packet submittal. If you have any questions prior to bid submittal then please contact **YN Habitat Fisheries Habitat Biologist & YN Designated Representative Chris Clemons at (509)-881-5746.** The YN thanks you for your interest in bidding on this contract.

## Instructions for Electronic Bids

Please follow the instructions below to access documents for bidding on this on-call contract:

1. Type in the following URL in the internet browser bar and hit ENTER to load page.

<http://yakamafish-nsn.gov/restore/projects/request-bids-call-geo-tech-services-contract>
