RE: CA-487-2025-2 Delay Reopening of the Upper Klickitat
River until August 01, 2025.

Section II B2b of T-45-2025 states "Subsistence Fishing will resume on a weekly schedule of Noon Tuesdays to 6pm Saturdays no later than July 1, 2025."

However, the Klickitat Fish Hatchery has not met its brood goal of 500 fish for the 2025 spring season. In an effort to allow as many spring salmon as possible an opportunity to swim into the Klickitat Fish Hatchery, the Fish & Wildlife Committee hereby delays the reopening of the **upper** Klickitat River Fishery until August 1, 2025. Fishing will be allowed from Lyle Falls downstream to the mouth of the Klickitat River, but **all fishing upstream of Lyle Falls will be closed until August 1, 2025.** All other regulations in section II.C of T-45-25 remain unchanged. Regulations are pursuant to Title 32.14 of the Revised Law & Order Code of the Yakama Nation. Authority to enforce these regulations is provided under Section 32.18.07 of the Code. Violations of any of these regulations are punishable under Section 32.18.07 of the Code.
