Yakama Nation Fisheries (YNF) is seeking proposals from qualified Architectural Historian or Historic Preservationist firms to award a new consultant services contract for historic property inventory services in support of salmon habitat restoration activities taking place in the Upper Columbia salmon recovery region (Methow, Entiat, and Wenatchee Basins). Based upon the proposals received under this solicitation the Confederated Tribes and Bands of the Yakama Nation will award an Indefinite Demand / Indefinite Quantity contract to the best quality bidder for the Scope of Work described within this RFP. Services rendered under this contract will be performed through May 31, 2026, with an option to renew for two additional years if funding is available.

Proposed Scope of Work

The Yakama Nation Fisheries Upper Columbia Habitat Restoration Project (YN UCHRP) will request the following services of a certified Architectural Historian or Historic Preservationist on an as-needed basis to conduct intensive-level surveys (ILS) for built environment resources and produce professional survey reports when salmon habitat restoration projects plan to effect resources that may be eligible for listing on the National Register of Historic Places:

1. Coordinate with YNF staff, and landowners as directed by YNF staff to gather the necessary information and documentation to create a historic property inventory form(s).
2. Conduct site review(s) to gather any physical and architectural information on the resources and relative physical context. Contractors will also conduct background research into available tax records, SHPO documents, historic map, aerial images, building permits, newspapers, and other sources, including but not limited to those resources available via the county.
3. Complete intensive survey(s) and fill out any necessary historic property inventory forms for each structure on the properties to be acquired. Each form will include National Register of Historic Places (NRHP) eligibility recommendations and appropriate maps, figures, and photographs.

4. Produce draft and final a professional survey report(s) that summarizes the findings of the historic above-ground resources investigations. The report(s) will meet all state and/or federal funding agency standards and include sections addressing research design, historical development, survey results, conclusions and recommendations, and an assessment of project effects on historic properties (to the extent possible). Reports will also include National Register of Historic Places (NRHP) eligibility recommendations for each resource, recommendations for further work (if any), and any appropriate maps, figures, and photographs.

The Contractor shall furnish all supervision, labor, equipment and tools necessary to complete the work as outlined.

Work under this agreement will take place on federal, state, and private properties chosen for their natural or restored aquatic habitat values throughout Chelan and Okanogan Counties.

RE: Historic Property Inventory RFP

PO Box 151

Toppenish, WA 98948

(Shipping address: 401 Fort Road, Toppenish, WA, 98948)

Proposals must be received in Toppenish by Close of Business, **Thursday, April 17, 2025**. It is recommended that all shipping and/or delivery confirmation receipts are retained past the proposal due date to ensure proof of submission.

In addition to the required physical bid submittals, we are also requesting contractors to provide digital copies of their completed bid documents through email submittal directly to the project manager at wite@yakamafish-nsn.gov, and the lead bookkeeper at dila@yakamafish-nsn.gov. We are encouraging digital copies to be emailed at the same time the physical bid package is mailed to the proper address in Toppenish. Any digital submittal received that has no associative hardcopy submittal by the closing date will be discarded as invalid.

Each proposal must include a roster of key personnel proposed to work under this contract, including resumes. The key personnel roster should include the proposed project manager and key technical staff needed to complete the work tasks. Provision of a separate roster for other non-key project personnel is also recommended. Please note that proposals dependent upon subcontracting will not be preferred.

Each proposal should include a Statement of Qualifications pertaining to the bidder's qualifications to produce the Scope of Work items listed in this Request for Proposals.

Each proposal must include a company rate schedule proposal that accurately describes the rates at which all personnel and direct costs will be billed for any services provided under an awarded contract. The rate schedule proposal must certify that the prices provided for competitive bidding will be honored for at least 180 days.

Please review the attached Consultant Services Agreement template for typical Yakama Nation contracting terms and conditions including reporting/invoicing requirements.

Consultant shall indemnify, hold harmless, and (at the Yakama Nation's discretion, and with counsel acceptable to the Yakama Nation) defend the Yakama Nation and its officers, agents, employees, and assigns (each and all considered the "Yakama Nation" for purposes of this Section) against any claim, demand, judgment, loss, cost, damage, expense or other liability whatsoever, including legal fees and expenses, which are incurred by or claimed against the Yakama Nation and arise, either directly or indirectly, from any action, omission, error or breach of contract by Consultant or its officers, agents, employees, or subcontractors. The requirements of this Section 7.05 are intended to survive the termination of this agreement.

7.06 Injunctive Relief. Consultant acknowledges that its breach or threatened breach of Article 5 (Records, Accounting, Audits) or Article 6 (Work Product) of this agreement would cause irreparable injury to the Yakama Nation, which could not be completely compensated by money damages, and that injunctive relief to enforce Articles 5 or 6 of this agreement would be proper.

ARTICLE 8. DISPUTE RESOLUTION

8.01 Negotiation. If the parties disagree about the performance, interpretation, or enforcement of this agreement, they shall first attempt to resolve their disagreement informally through (a) dialogue between their project managers, and then (b) face-to-face negotiations between their

Such mediation must be held at a mutually agreeable location in Yakima, Washington. Any demand for mediation must be made in writing and delivered to the other party in accordance with the provisions of Article 4 (Notice) of this agreement. The parties shall share equally the costs of hiring a mediator and securing a suitable location for the mediation proceedings. The requirements of this Section 8.02 are intended to survive the termination of this agreement.

ARTICLE 9. TERMINATION

9.01 **For Convenience.** Either party may terminate this agreement by giving to the other party at least 90 days prior written notice. The notice must specify the effective date of termination.

9.02 **For Breach.** Either party may immediately terminate this agreement by written notice following a material breach by the other party. Consultant acknowledges that time is of the essence for performance of the Work.

9.03 **By Tribal Council Executive Committee.** The Yakama Nation Tribal Council Executive Committee may immediately terminate this agreement upon written notice to Consultant.

9.04 **Effect.** Termination of this agreement will not relieve either party of any liabilities or obligations that arise under this agreement before the agreement is terminated. Termination will not limit the Yakama Nation's rights or remedies at law or equity, including, but not limited to, the right to contract with other qualified persons to complete the Work.

ARTICLE 10. GENERAL TERMS

10.01 **Independent Contractor.** Consultant acknowledges that it is an independent contractor and not an agent or employee of the Yakama Nation for purposes of this agreement. The parties state that they are not engaged in a joint venture or partnership. Neither party may speak for or bind the other.

10.02 **Conflicts.** During the term of this agreement, Consultant shall not accept work from any non-party, which would create a real or apparent conflict of interest with Consultant's performance of the Work for the Yakama Nation.

10.03 **Subcontractors.** Consultant shall not hire a subcontractor to perform any portion of the Work for this Agreement, except as expressly authorized in writing by the Yakama Nation. Where the Yakama Nation has authorized Consultant's hiring of a subcontractor, Consultant shall require the

subcontractor to comply with all relevant terms and conditions of this agreement in performing their portion of the Work. Any unauthorized attempt by Consultant to subcontract the Work will be null and void, and Consultant shall be responsible for all expenses, fees, and costs associated with the unauthorized subcontract(s).

10.04 Fair Employment Practices. Consultant shall not discriminate against any employee or applicant for employment because of handicap, race, age, religion, sex, gender, or sexual orientation. Consultant shall take affirmative steps to ensure that applicants and employees are treated fairly during hiring and employment. This provision is not intended to prevent Consultant from implementing a lawful Indian preference employment policy.

10.05 Indian Preference Employment. When Consultant performs Work within the boundaries of the Yakama Reservation, or on Yakama trust property outside the boundaries of the Yakama Reservation, Consultant acknowledges that it is subject to and shall comply with applicable Indian preference employment laws of the Yakama Nation, including its Tribal Employment Rights Ordinance (Yakama Revised Law & Order Code, Title 71, as amended) ("**TERO**"). Consultant further acknowledges that under Section 703(i) of the 1964 Civil Rights Act, it may implement an Indian Preference hiring policy for all work performed near (within reasonable commuting distance from) the Yakama Reservation. Consultant hereby adopts the TERO and its associated policies as its Indian preference hiring policy for Work it performs near the Yakama Reservation, and shall publicize the same.

10.06 Permits and Approvals; Taxes and Fees. The Consultant shall, at its expense, obtain any and all permits, approvals, or authorizations from local, state, federal or tribal authorities necessary or required for the completion of the Work. Unless the parties have expressly agreed otherwise in this agreement, Consultant shall pay any taxes or fees applicable to or associated with its completion of the Work.

10.07 Force Majeure. The parties' obligations under this agreement are subject to force majeure. If acts of God, severe weather conditions, fire, or unforeseen catastrophic events caused by nonparties which are beyond the control of the parties, prevent the parties from performance, such non-performance must not be considered a breach of this agreement.

10.08 Entire Agreement. This agreement constitutes the entire understanding between the parties with respect to the subject of this agreement, and supersedes all prior or contemporaneous agreements, whether written or oral, between the parties. The parties acknowledge that they each participated in negotiating this agreement, and that they have read, understood, and approved its terms. Headings are provided in this agreement for convenience, and are not intended to affect the meaning of the provisions to which they are affixed.

10.09 Exhibits Incorporated by Reference. This agreement includes any terms or documents incorporated by reference, as well as those exhibits listed below. If the terms of an exhibit or

incorporated document conflict with the terms of the body of this agreement, the terms in the body of this agreement must prevail.

- (i) Exhibit A – Scope of Work
- (ii) Exhibit B – Budget
- (iii) Exhibit C – Payment Terms

10.10 Change Orders. Change orders must be in writing and authorized by an appropriate representative of the Yakama Nation as follows:

(a) *Material Changes.* Any material changes to this agreement or the Work to be performed must be authorized in writing and signed by the Yakama Nation Tribal Council Chair as modifications or addendums to this agreement. Material changes are (i) any changes which require an increase in the maximum ‘not to exceed’ contract amount set forth in Section 2.01 of this agreement, or (ii) any changes to *what* Work is to be performed.

(b) *Immaterial Changes.* The Yakama Nation’s Project Manager may authorize immaterial changes in writing. Immaterial changes are those that concern *how* the Work will be accomplished, but do *not* change the scope of what Work will be performed, or the overall contract payment amount.

10.11 Amendments; Waiver. The parties may amend this agreement by a written instrument signed by the authorized representatives of both parties. No waiver of a right or obligation under this agreement will be effective unless it is in writing and signed by an authorized representative of the party granting the waiver. A waiver granted on one occasion will not operate as a waiver on other occasions.

10.12 Execution. If the parties sign this agreement in several counterparts, each will be deemed an original, but all counterparts together will constitute one instrument. The parties may sign and deliver this agreement (and any ancillary documents) to each other electronically, and the receiving party may rely on the electronic document as if it was a hard-copy original.

10.13 Choice of Law and Venue. Yakama law governs the validity and interpretation of this agreement, and any adversarial proceedings brought by one party against the other party arising out of this agreement. Any court action filed to enforce or interpret this agreement must be in the Yakama Tribal Courts. Consultant acknowledges that this agreement will be considered to have been executed at the Yakama Nation governmental headquarters in Toppenish, WA, and that this agreement establishes a consensual business relationship between the parties for purposes of Yakama Tribal Court jurisdiction. Consultant shall not raise any personal jurisdiction objections to Tribal Court jurisdiction.

10.14 Severability. If any term of this agreement is found to be illegal, otherwise invalid, or incapable of being enforced, such term shall be excluded to the extent of such invalidity or unenforceability. All other terms shall remain in full force and effect; and, to the extent permitted and

possible, the invalid or unenforceable term shall be deemed replaced by a term that is valid and enforceable that comes closest to expressing the parties' original intention.

10.15 **Sovereign Immunity.** In entering into this agreement, the Yakama Nation is not waiving its sovereign immunity from suit, and is not waiving, altering, or otherwise diminishing its rights, privileges, remedies, or services guaranteed by the U.S. Treaty with the Yakamas of June 9, 1855.

10.16 **Special Terms & Conditions.** In addition to the forgoing terms and conditions, the following requirements will apply to this Agreement:

(a) Consultant's Work under this agreement is being funded under Intergovernmental Master Agreement 56662 ("IG-MA 56662"), as amended, between the Bonneville Power Administration (hereafter "BPA") and the Yakama Nation, and its applicable funding release ("Release"). Consultant acknowledges that Yakama Nation's obligation to compensate Consultant for Work performed under this agreement is entirely dependent and conditioned upon such funds being made available to the Yakama Nation by BPA for this Work. Failure of BPA to provide such funding within the contract term shall void this Agreement and Consultant shall have no cause of action against the Yakama Nation.

(b) Consultant shall comply with any and all requirements applicable to subcontractors set forth in the IG-MA 56662 and any associated BPA funding Release(s). The IG-MA 56662 can be accessed using a web browser at the following address: <http://yakamafish-nsn.gov/restore/projects/bpa-master-agreement-terms-and-conditions>. When prompted, enter "YN Fish1855" as the webpage password to access the IG-MA 56662 and its modifying amendments. Consultant hereby states and certifies that it has read the Master Agreement and agrees to be bound by the applicable terms. Consultant further states that it has the capacity to comply with the Master Agreement's applicable terms. If Consultant is authorized under this Agreement to hire any subcontractors, Consultant shall ensure that their subcontracts include a requirement for compliance with these terms.
