

RE-BID RFP Mid-Columbia Field Station (Peshastin, WA) Storage Facility Project

Project abstract:

The Yakama Nation's Upper Columbia Production Project is requesting bids for the construction of a new and enclosed storage building. Dimensions of project will be a 130-foot by 35-foot building located at the Mid-Columbia Field Station in Peshastin, WA. This all-new building shall consist of wood post frame construction base bid with an option for steel frame construction additive bid per the attached drawings and specifications.

The project will involve all work elements and specifications found in the Project Bid Packet and supporting documents attached to this Request for Proposal announcement.

To create a bid for the Mid-Columbia Field Station project, please download the Project Bid Packet at the bottom of this page.

Please note that bids will be due in Toppenish by Close of Business, **Monday, April 8, 2024**, in hardcopy form. Only hardcopy proposals submitted to Yakama Nation Fisheries via parcel delivery service or postal mail will be accepted. Bids should be mailed or shipped to:

Yakama Nation
Attn: Shanita Sohappy
RE: Peshastin Field Station
P.O. Box 151
Toppenish, WA. 98948
(Hand Delivery/Shipping: 401 Fort Road, Toppenish, WA 98948)

We strongly encourage all contractors submitting bids to get their hardcopy packages in the mail by **April 3, 2024** to ensure timely delivery. Certified mailed bids are accepted and will need to be stamped no later than **April 8, 2024**. It is also recommended that you email Shanita Sohappy (sohsh@yakamafish-nsn.gov) a digital copy of the bid you have submitted as well as a copy of your certified mail certificate for proof of submission.

Additional Information:

- The Yakama Nation is exempt from state taxes on this project. Please see the attached Treaty Fishery Exempt Cover Letter and Treaty Fishery Exempt Certificate. The winning contractor will receive signed copies for their records.
