MEMORANDUM

TO: GEOMORPHOLOGIST CONSULTING SERVICES

FROM: DAVID LINDLEY, HABITAT COORDINATOR, YKFP 

ISSUE DATE: MAY 1, 2025

RE: REQUEST FOR QUALIFICATIONS FOR A CONSULTING GEOMORPHOLOGIST

1. Introduction

The Yakama Nation Fisheries Program, Southern Territories Habitat Project (STHP) is seeking proposals from qualified consultants or firms to provide **geomorphic consulting services** to support the conceptual development of river restoration projects in the Klickitat, White Salmon and Rock Creek watersheds.

STHP will work with the selected consultant to define deliverables: Height Above Water Surface (HAWs) mapping, field assessments, LiDAR interpretation, and development of visuals and brief assessments to guide our planning, funding and design development efforts.

2. Scope of Work

The services to be provided may include, but are not limited to:

- Baseline geomorphic assessments of riverine or upland systems.
- Field data collection (e.g., cross-sections from LiDAR, sediment sampling, channel measurements).
- Historical aerial imagery analysis
- Assessment of natural fish passage barriers (alluvial fans and waterfalls)
- Participation in multi-disciplinary project teams
- Preparation of maps

Detailed scope and deliverables will be finalized with the selected consultant.

3. Submission Requirements

Please provide the following in your quotation:

- Company profile and relevant experience.
- Resumes of key personnel assigned to the project.
- Description of your approach to geomorphic consulting.
- At least two references from similar projects.
- Fee schedule and estimated budget for proposed services.
- Availability and proposed timeline.

- Assume four days of site visits in the Klickitat, White Salmon and/or Rock Creek watersheds

4. Evaluation Criteria

Submissions will be evaluated based on the following criteria:

- Relevant qualifications and experience (30%)
- Proposed methodology (25%)
- Cost (20%)
- Availability and timeline (15%)
- References and past performance (10%)

5. Submission Instructions

All quotations must be submitted electronically in PDF format to:

David Lindley, Habitat Coordinator (dlindley@ykfp.org)

Subject Line: Geomorphic Consulting Services

Deadline for submission: May 23, 2025, 12:00 PM PST

Late submissions will not be considered.

6. Questions

All inquiries related to this RFQ must be submitted by May 16, 2025 to:

David Lindley, Habitat Coordinator (dlindley@ykfp.org), 509-830-8005

7. General Conditions

- The lowest or any quotation will not necessarily be accepted.
- The selected consultant will be required to enter into a professional services agreement with the Yakama Nation
